Maharashtra Junior College

📅 2019 📍 Latur

PROFESSIONAL EXPERIENCE

React.js Developer Intern

Ricoz

📅 2023 - 2024 📍 Pune

- Developed and maintained 80+ user interfaces using React.js, enhancing the overall user experience.
- Collaborated with the design team to implement 75+ responsive and visually appealing web pages.
- Utilized JavaScript and HTML/CSS to create 50+ dynamic and interactive web applications.
- Assisted in integrating 15 RESTful APIs to fetch and display data, ensuring seamless functionality.
- Participated in code reviews and contributed to improving code quality and best practices.

SKILLS

Frontend Technologies

React.js, JavaScript, HTML5, CSS3, Tailwind CSS

Backend Technologies

Node.js, Express.js

Tools & Platforms

Git, GitHub, Vite

PROJECTS

MERN Stack Project

- Developed a web application using the MERN stack (MongoDB, Express.js, React, Node.js).
- Integrated accessibility features such as ARIA attributes and keyboard navigation, leading to a 35% rise in user satisfaction and a commendable 15% increase in accessibility compliance ratings.
- Revamped the user onboarding process by implementing intuitive guided tours and tool tips, resulting in a remarkable 50% decrease in user churn rate and a 25% increase in user retention within the first week of application usage.

Portfolio Website

- Translated intricate design mockups into dynamic functional components and stylish stylesheets, leveraging JSX and CSS to adhere rigorously to industry best practices.
- Implemented dynamic content loading and PDF resume display.
- Utilized Tailwind CSS for responsive and visually appealing design.
